BEST FOR INTERNATIONAL STUDENTS

85+ nationalities

Join an international community with no more than 25% of any one nationality

5 hours' English per week

Develop your English skills and excel in your subject studies

Expert teachers

All teachers are teachers of English and include published authors and examiners

Small class sizes

Get individual attention from teachers and practise your English amongst friends

Unlike traditional boarding schools in the UK, everyone in a CATS class is in the same situation - away from home, needing help to acclimatise, wanting to make new friends and committed to improving their English rapidly. Everything we do is aimed at helping you achieve this, from teachers who know how to adapt lessons to build confidence in English to houseparents who provide care and concern during your stay.

A DAY IN THE LIFE

AT CATS COLLEGE

A typical day in the life of a CATS student is full of variety from start to finish – all with the goal of preparing you for life at university.

You spend time exploring your chosen subjects and improving your English. There is also time to pursue the things you love, try new activities and develop a range of skills - all whilst immersed in British life and culture.

A LEVEL

THE CLASSIC ROUTE

Who is this programme for?

A level is a higher level qualification in a specific subject that can lead to university, further study, training, or work. It is a traditional UK qualification offering the widest choice of universities.

It is a highly focussed programme of study with a minimum of three subjects studied, usually over two years, with examinations in the second year. However, we also offer a fast-track option. Choosing your subject combination is important as universities look for students that have good grades in the right subjects. We work with you to choose the best combination to help achieve your university and career aspirations.

The CATS College A level programme is designed for international students with additional English language support to help you excel in your studies.

What will you achieve?

- With A level qualifications, you will:
- be able to progress to an international university
 - possess desirable study skills such as critical thinking, essay/report writing and solution-based thinking
 - have developed life skills such as independence, confidence and good communication – all essential for university and your future career.

Key features

- Choose from a wide choice of subjects including Sciences, Humanities and the Arts.
- Prepare for an English qualification recognised by international universities.
- Get exposure to the style of assessment and teaching in the UK and focus on developing your study skills, independence and confidence.
- Complete challenging research and homework tasks.

UNIVERSITY FOUNDATION PROGRAMME

BRIDGING THE GAP

Who is this programme for?

This programme acts as bridge from students' high school education in their own country to university in the UK.

It recognises the specific academic challenges that you face and uses assessment strategies that offer the best opportunities to demonstrate your academic level and potential.

In addition to developing your English skills, you will choose three subjects, with exams at the end of the course. There is also a significant amount of coursework which contributes to your final grade. Choosing your subject combination is important as universities look for students that have good grades in the right subjects. We work with you to choose the best combination to help achieve your university and career aspirations.

What will you achieve?

- After successfully completing this course, you will:
- have an accredited qualification accepted by 90 of the 100 top UK universities
 - have developed as an independent learner
 - have improved your English language fluency and proficiency
 - have the foundation needed for undergraduate study in your chosen subject.

INTERNATIONAL YEAR ONE

BUSINESS MANAGEMENT

Who is this programme for?

The CATS College International Year One (IYOne) programme is the first year of undergraduate studies in Business Management. It is a credit bearing qualification that upon successful completion guarantees entry to the second year of an undergraduate degree at one of 10 partner universities. The programme is accredited by NCUK and quality-assured by the partner universities.

It is ideal if you are seeking smaller class sizes and personalised language and academic support in preparation for entry to the second year of a degree in Business Management.

What will you achieve?

- You will:
- develop your knowledge of business
 - improve your English skills
 - gain the confidence to live and study overseas in a supportive environment
 - get an introduction to university teaching styles.

Next steps

With an International Year One qualification, you are guaranteed at least two conditional offers and a place on the second year of a Bachelor's degree at one of the NCUK Universities. The entry criteria for each university varies and placement will depend on your final year one result.
